S.A.C. Newsletter - October 2016

The first month of school has flown by fast! We are getting used to the colder, darker evenings and your teens are settled into their school routines by now. This month, besides their usual studies, students will be learning about different clubs to join at UFA, attending a Grade 9 Skills workshop and will be participating in a Future Options fair. Remind your children to use the school calendar for the schedule of in-school activities.

We had many parents turn out at UFA's Family Night and updated the list of parent contacts but if we missed you, please sign up to receive monthly SAC parent newsletters. This is a great way to keep up-to-date on important events, SAC meeting dates, special presentations and volunteer opportunities.

Find [here](#) a link to the **Minutes** from our September SAC meeting.

You can also get information from the school calendar, the Principal's Newsflash, and on UFA's website. <http://schoolweb.tdsb.on.ca/ufa/Home.aspx>

Meet and Greet -

Join us at UFA for a Meet and Greet parent social event on Tuesday, November 29th at 6:30 pm.

Both Robin Pilkey (TDSB Trustee and Chair) and Sandra Tondat (TDSB Superintendent) join us for an casual session with Q & A time to inform parents about the secondary school system and provide an opportunity to connect, ask questions and share ideas pertaining to your children's secondary education. Light dinner served. All welcome!

Upcoming Parent Volunteer Opportunities:

Open House - Grade 8 Info Night - November 1st.

Grade 9 Admission Assessment Exams - November 30th and December 3rd. We need parents to assist in proctoring (supervising) groups of twenty students, for the two hour length of the exam.

Email us at ufa.sac@gmail.com to sign up for a spot of UFA community volunteering!
