

## **Climate walkout Part 2:**

As with the last walkout - this is not a TDSB sanctioned field trip, however as this is a cause that is very important to our youth we will ensure that if students do intend to participate - they will not be penalized for missed classwork. Our staff will refrain from covering new material, scheduling test etc. on Friday. Student's that do remain in school will continue to follow their regular timetable and have the benefit of their teachers being available for extra help, review etc. It is our understanding that UFA student's that intend to participate will leave the school between 10 a.m. and 10:45 a.m. Student's with Parent Permission will be marked as excused, students that leave without parental permission will be marked absent. Please take the opportunity to review safe practices that student's should follow If they intend to participate in the walkout.

**If you intend to provide permission - please send a note to the school, or phone the school and ask to speak with Joe-Anne.**

## **A note from Jed our Student Council Student advocate:**

A reminder to everyone participating in Friday's Climate Strike: students are expected to attend their first period (F) class and the first 15 minutes of their second period (E) class. We will all be walking out at 10:45. Students **who will not be participating on the walk but wish to support the cause** may choose to wear green tops to support the cause, or UFA uniform. I look forward to seeing you all at Queen's Park on Friday to take a stand for our planet.
